NEW ITEMS:

- We have 3 choices for our ride on April 16. (1) There is a South Carolina Meet and

Greet that day in Greenville, SC. It starts at 1:00 p.m. and is in the same location, restaurant, they had it in last year. The restaurant closes its doors to all other business and only STAR members are there for lunch and a brief meeting. We can make this ride after our meeting and still get there in time if everyone would like to do this. I had a good time there last year and the restaurant was full of STAR members from SC and NC. (2) Another choice is to head down to Team Motorsports in Charlotte to visit the Yamaha demo truck and demo a few bikes. (3) Ed also has a ride mapped out to Climax, NC that we can do if everyone would rather do that. Think about these choices and we'll decide in the meeting.

- Buster Hill, our state director, is having his annual picnic at his place up around Winston-Salem the first weekend in May. I am recommending that be our long ride for the month. It should be a good time. Here's some info Buster sent out: As in years past the Multi chapter cook out will be the first Saturday in May. It will start around 10:00 am Hamburgers and Hot Dogs with all the fixings along with drinks and water. We will eat at 12:00 noon then there will be bike games, horse shoes and corn hole. We also have 50/25/25 drawing. With this being our 10th year we are looking to made added a few more things. I will post more as we nail it down. He's also planning a 10 year celebration with a supper and party that night. I'll need to get a head count for him at least by the April meeting.
- I'd like to plan on having a chapter picnic sometime during the warm weather months. I'll get some dates and locations together to present to the chapter to see what works best.
- Is anyone interested in doing bike nights anywhere?
- For those of us that can, I'd like to plan some riding during the week. If you're interested and have a particular day that works better, let us know Saturday.
- I will have a signup sheet available Saturday for those who are interested in working on fund raiser organization. This group will meet on their own to plan and organize our fundraising activities.

ANNOUNCEMENTS:

- Today's ride will be to Lexington to visit the Childress Winery. Since the Winery doesn't open and start tours until 12:00, we have 2 choices. We can take a long ride up there through the country or we can go the route posted and stop at Bill's Truck Stop for lunch on the way. That should take enough time that the Winery will be open

when we get there.

- April 16 chapter meeting at Ride Now and chapter ride, location to be determined
